

**200** days to GO! 200 is the amount given in the classical *Monopoly* game to a player passing GO.

About 200 days from now, we will be sharing time together at camp!

200 is two sets of 100 days, and that is just four sets of 50 days, and that is just 8 sets of 25 days! Oh my, camp is literally just around the corner...GO!

2017. What do you think will happen at camp this summer? How old will you be? How old were you when you first heard about Jesus' love for you?

Camp advisors will meet soon to plan. Can you believe it? How can you start planning too? One way is to pray; pray for an open mind and listening ears to know when and what God wants you to do and learn.

Another way is to invite; invite others to join you at camp. Through Bible stories and Biblical activities, campers connect not only with God but also with fellow Christians. Save \$. Although camp does not cost \$200, you can

start saving; if you save a dollar a day or five dollars a week, you will have camp registration fees on hand in July!

Camp advisors seek donations throughout the spring also. If you know church groups, businesses, or people that are willing to provide supplies or money for camp use, please share our camp links and email or send us the name of the contact person. We look forward to seeing over 200 campers again this summer!
